[L.S.] H. P. BELL-IRVING
Lieutenant Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

To all to whom these presents shall come—
Greeting

A PROCLAMATION

L. A. Williams
Attorney General

WHEREAS United Way of British Columbia has designated Tuesday, September 21, 1982, as United Way Day in British Columbia:

And whereas hundreds of United Way member agencies located throughout British Columbia serve the needs of citizens of the Province:

And whereas each year over 500,000 British Columbians receive help and support through the work of these agencies:

And whereas prospective donors are encouraged to contribute one day's pay a year to help continue the important work of the agencies, it is desirable to appoint Tuesday, September 21, 1982, as United Way Day in British Columbia:

And whereas Our Lieutenant Governor, by and with the advice and consent of the Executive Council, has been pleased to direct by Order in Council in that behalf, that a Proclamation be issued appointing Tuesday, September 21, 1982, as United Way Day in British Columbia:

Now know ye that We do by these presents proclaim and declare that Tuesday, September 21, 1982, shall be known as United Way Day in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our Province of British Columbia, in Our City of Victoria, in Our Province, this twenty-eighth day of July in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.

By Command.

PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or

after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10 3/4 inches by 7 1/2 inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PE-254

THIS APPLICATION is to be filed with the Director of Pollution Control, Third Floor, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of an amendment, stating the manner in which he is affected.

Preamble—The purpose of this application is to permit a positive discharge of bauxite mud residual from the settling-pond onto the land adjacent to the pond (the stabilization area) to allow the mud residual to de-water before removal to landfill. The stabilization area will have a limestone base at least 5 cm in depth to assist in the neutralization of the supernatant drained from the residual.

Mac McDougall, of Inland Chemicals Ltd., hereby applies for amendments, as described below, to Pollution Control Permit PE-254, granted on April 3, 1973, which authorized the discharge of effluent from an alum plant located at Prince George, B.C., to a lined pond.

AMENDMENTS REQUESTED

Before: A. *Monitoring*: Obtain a composite sample of the pond supernatant twice per year by mixing four grab samples and analyse for total suspended solids, total solids and pH. *Flow measurement*: Record daily volumes discharged to the pond and recycled to the alum plant. *Reporting*: Sub-

mit tabulated data of supernatant analyses and flow measurements annually. B. *Positive discharge*: The Permittee shall not allow a positive discharge from the ponds.

After: A. *Monitoring*: Obtain a composite sample of the pond supernatant twice per year by mixing grab samples and analyse for total suspended solids, total solids and pH. The supernatant pH will also be determined before discharge to the stabilization area and the pH of drainage from the mud residual will be measured after the discharge. *Flow Measurement*: Record daily volumes discharged to the pond and recycled to the alum plant. *Reporting*: Submit tabulated data of supernatant analyses and flow measurements annually. Include the date and quantity of discharge from the pond to the stabilization area. The need for subsequent changes in the monitoring frequency will be at the discretion of the Regional PCB Director. B. *Positive discharge*: The Permittee shall be allowed an annual positive discharge from the pond to an adjacent stabilization area and shall report such discharges to the regional PCB office. The quantity of the annual discharge (pond residue) will be as follows: Average 300 tonnes and maximum, 400 tonnes. Dewatered residue from the stabilization area will be treated with lime and disposed of in a landfill.

This application, dated on July 14, 1982, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PE-4665

THIS APPLICATION is to be filed with the Director of Pollution Control, Third Floor, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of an amendment, stating the manner in which he is affected.

Preamble—The purpose of this application is to authorize additional works; to change the quality of effluent; to increase the quantity of effluent to be discharged and to change the discharge location.

British Columbia Railway, 1311 West First Street, North Vancouver, B.C. V7P 1A7, hereby applies for amendments, as described below, to Pollution Control Permit PE-4665, granted on January 16, 1978, which authorized the discharge of effluent from railway locomotive shops located at Prince George, B.C. to the land.

AMENDMENTS REQUESTED

Source—Before: Railway locomotive shops. After: Railway locomotive shops.

Discharge to—Before: Land. After: Fraser River.

Quantity of effluent—Before: Maximum of 14,000 gallons per day (63.5 cubic metres per day). After 96.5 cubic metres per day (maximum).

Effluent characteristics—Before: Oil and grease, 75mg/L. After: oil and grease, 10 mg/L.

Works authorized—Before: Gravity oil separator, coolant recycling system, proposed seepage trench and related appurtenances. After: Collection sewers, free oil separator, dissolved air flotation system, oil and float storage tank, discharge pipe to City of Prince George storm sewer system approximately as shown in Appendix A.

Date of completion and operation—Before: May 31, 1978. After: October 31, 1983.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PR-4343

THIS APPLICATION is to be filed with the Director of Pollution Control, 310 Ward Street, Nelson, B.C. V1L 5S4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of an amendment, stating the manner in which he is affected.

Preamble—The purpose of this application is to correct the amount of solids as outlined in Permit PR-4343 which allows to deposit the amount of process solids as deposited in the settling-ponds on an annual basis.

Brian Clifford, Crestbrook Forest Industries Ltd., hereby applies for amendment(s), as described below, to Pollution Control Permit PR-4343, granted on December 17, 1976, which authorized the discharge of settling-pond sludge containing fibrous material and lime mud from the settling-ponds at the pulp-mill located at Skookumchuck, B.C., to Lot 6615.

AMENDMENTS REQUESTED

The Permit PR-4343 outlines that 1 015 cubic metres per day over 35 days may be deposited in the solids disposal area. Since permit was issued and even before as attachments would indicate that 2 ponds are cleaned annually. Each pond takes a minimum of 40 days to clean, instead of the allotted 35 days.

The application for this amendment is to take into account the 2 pond cleanings per

year at a rate of 40 days per pond clearing at a rate of 1 015 cubic metres per day (minimum required: 1 000 cubic metres per day), i.e., 80 days total.

This application, dated on July 15, 1982, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, Third Floor, Plaza 400, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit to check and keep in control the discharge wastes of a tannery operation that uses salt, borax, lime, sodium sulphide, sulphuric acid, aluminum sulphate, chromium sulphate and water.

Gerald Bryan Letcher, Box 873, Chetwynd, B.C. V0C 1J0, hereby applies to the Director for a permit to discharge effluent from a tannery located about 6 miles north of Moberly Lake into sand-earth pit (nearest watercourse is about one mile to east of Moberly River), which flows north and discharges into Peace River, and gives notice of application to all persons affected.

The land upon which the works are located is southeast quarter of Section 36, Township 79, Range 24, W6M, Peace River Land District.

The discharge shall be located at about 300 yards southwest of the northeast corner of survey stake.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 500 gallons. Maximum daily discharge, 2,000 gallons.

The operating period during which the effluent will be discharged is approximately over 3-week period.

The characteristics of the effluent discharged shall be equivalent to or better than BOD, 11; suspended solids, 15/1000 lb.; green hide, 10; grease, 16/1000 lb.; green hide, 5; dissolved chromium, 0.6 mg/litre; dissolved sulphide, 1.75 mg/litre; pH 6.5–8.5.

The type of treatment to be applied to the effluent before discharge is sodium sulphide and sulphuric acid.

This application, dated on July 9, 1982, was posted on the ground in accordance with the Pollution Control Regulations.

Preamble—The purpose of this application is to obtain a permit to authorize the discharge of effluents from a coal process plant operation to the ground and to authorize the decant of water from 4 settling-ponds. These facilities to be operated by Sage Creek Coal Limited are to be located 10 kilometres north of the British Columbia southern border and 30 kilometres west of the British Columbia eastern border.

Sage Creek Coal Limited, 1650, 609 Granville Street (Box 10335), Vancouver, B.C. V7Y 1G5, hereby applies to the Director for a permit to discharge effluent from a coal mining operation located in the Flathead Valley, 10 kilometres north of British Columbia's southern border into ground tailings-pond. The 4 settling-ponds would decant into Howell Creek, which flows southeast and discharges into the Flathead River, and gives notice of application to all persons affected.

The land upon which the works are located is the tailings-pond on the northwest quarter of Lot 12121 and settling-ponds are located approximately as follows: No. 1 on the south half of Lot 12121, No. 2 on the north half of Lot 8727, No. 3 in the south-east quarter of Lot 9497 and No. 4 in Lot 7130, all in Kootenay Land District.

The discharge shall be located at approximately the northwest corner of Lot 12121, Kootenay Land District.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 158.1 cubic metres. Maximum daily discharge, 216 cubic metres.

Estimated daily discharge for all settling-ponds is 610 000 cubic metres.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than as follows: Not applicable as the tailings-pond supernatant will be recycled back to the coal process plant. In the event of a 200-year flood any decant from the tailings-pond would go to the No. 1 settling-pond. The discharge from each of the 4 settling-ponds would be 50 mg/L or less.

The type of treatment to be applied to the effluent before discharge is recycling of tailings-pond supernatant back to the coal process plant, and settling of suspended solids in settling-ponds.

This application, dated on July 14, 1982, was posted on the ground in accordance with the Pollution Control Regulations.

[L.S.]

H. P. BELL-IRVING

Lieutenant Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

To all to whom these presents shall come—
Greeting

W. N. Vander Zalm
Minister of
Municipal Affairs

WHEREAS, under the provisions of section 767 of the *Municipal Act*, the Regional District of

Columbia-Shuswap was incorporated by Letters Patent issued on November 30, 1965;

And whereas section 767 of the *Municipal Act* provides, *inter alia*, that, in addition to the functions conferred by that Act, a regional district has the functions provided by Letters Patent or supplementary Letters Patent, and for this purpose the Lieutenant Governor in Council may, on the recommendation of the Minister, provide in the Letters Patent or supplementary Letters Patent, further objects, powers, obligations, duties, limitations and conditions for any or all functions requested under that section;

And whereas by supplementary Letters Patent dated March 30, 1978, the Regional District of Columbia-Shuswap was empowered to undertake the function of *Division XXIII—Recreational Programs* with Electoral Areas C, D, E and F as participating member municipalities;

And whereas the Regional Board of the Regional District of Columbia-Shuswap has requested that the function of *Division XXIII—Recreational Programs* be amended to include the Town of Golden and Electoral Area A as participating member municipalities;

And whereas the provisions of section 767 of the *Municipal Act* have been duly complied with;

Now know ye that by these presents We do order and proclaim that on, from and after the date hereof the following be added to the objects, powers, obligations, duties, limitations and conditions of the Regional District of Columbia-Shuswap:

The function of *Division XXIII—Recreational Programs* granted by supplementary Letters Patent dated March 30, 1978, be amended by striking out section 1 in its entirety and substituting the following therefor:

"1. The Town of Golden and Electoral Areas A, C, D, E and F participate and share in the cost of the regional district under this function subject to the provisions of sections 2 and 4 hereof."

And that the Letters Patent, as amended, of the Regional District of Columbia-Shuswap be deemed to be further amended accordingly.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this 8th day of July in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.

W. N. Vander Zalm
*Minister of
Municipal Affairs*

WHEREAS by section 22 of the *Municipal Act* it is provided the Lieutenant Governor in Council may, by supplementary Letters Patent, extend the area of a municipality under the conditions therein set out:

And whereas a petition has been received by the Minister of Municipal Affairs from the Council of The Corporation of the Village of Ashcroft praying that the area of the

municipality be extended to include all and singular those certain parcels or tracts of land situate, lying and being as follows:

Firstly—Commencing at the most northerly corner of Block A of Section 27, Township 20, Range 24, west of the sixth meridian, Kamloops Division of Yale District; thence southeasterly, southerly, westerly and northerly along the northeasterly, easterly, southerly and westerly boundaries of said Block 17 of Section 27, Township 20, Range 24, to the aforesaid most northerly corner thereof, being the point of commencement, and containing by admeasurement 6.047 hectares of land, more or less:

Secondly—Commencing at the point of intersection of the southerly boundary of Legal Subdivision 8 of Section 28, Township 20, Range 24, west of the sixth meridian, Kamloops Division of Yale District and the southeasterly boundary of Block A of Section 28, Township 20, Range 24; thence southwesterly and northerly along the southeasterly and westerly boundaries of said Block A of Section 28, Township 20, Range 24, to the point of intersection with the aforesaid southerly boundary of Legal Subdivision 8 of Township 20, Range 24; thence easterly along said southerly boundary of Legal Subdivision 8 to the point of commencement, and containing by admeasurement 0.21 hectare of land, more or less:

And whereas the conditions and requirements of the said section 22 of the *Municipal Act* have been duly complied with:

Now know ye that by these presents We do order and proclaim that the area of The Corporation of the Village of Ashcroft be extended by the inclusion therein of the lands hereinbefore described and that on, from and after the date of these supplementary Letters Patent the boundaries of The Corporation of the Village of Ashcroft be defined as follows: Commencing at the northeast corner of Fractional Legal Subdivision 16 of Section 28, Township 20, Range 24, west of the sixth meridian, Kamloops Division of Yale District; thence southerly along the easterly boundaries of Fractional Legal Subdivisions 16 and 9 of Section 28, Township 20, Range 24, to the most northerly corner of Block A of Section 27, Township 20, Range 24; thence southeasterly, southerly and westerly along the northeasterly, easterly and southerly boundaries of said Block A of Section 27, Township 20, Range 24, to the most westerly southwest corner thereof; thence southerly along the easterly boundary of Fractional Legal Subdivision 9 of Section 28, Township 20, Range 24, to the southeast corner thereof; thence southerly and westerly along the easterly and southerly boundaries of Legal Subdivision 8 of Section 28, Township 20, Range 24, to the point of intersection with the southeasterly boundary of Block A of Section 28, Township 20, Range 24; thence southwesterly and northerly along the southeasterly and westerly boundaries of said Block A of Section 28, Township 20, Range 24, to the point of intersection with the aforesaid southerly boundary

of Legal Subdivision 8 of Section 28, Township 20, Range 24; thence westerly along the southerly boundary of said Legal Subdivision 8 to the southwest corner thereof; thence southerly and westerly along the easterly and southerly boundaries of Legal Subdivision 2, Section 28, Township 20, to the southwest corner thereof; thence southerly and westerly along the easterly and southerly boundaries of Lot 423 to the northeast corner of Fractional Legal Subdivision 12, Section 21, Township 20, thence southerly along the easterly boundaries of said Fractional Legal Subdivision 12 and Fractional Legal Subdivisions 5 and 4, Section 21, Township 20, to the southeast corner of said Fractional Legal Subdivision 4, thence westerly along the southerly boundaries of Section 21 and Fractional Section 20, Township 20, to the southwest corner of said Fractional Section 20; thence due west to the point of intersection with the middle line of Thompson River; thence in a general northerly direction along said middle line of Thompson River to a point which lies S.45°E. of a point on the northwesterly limit of the right of way of the Canadian National Railway as shown on Registered Plan A475 on file in the Land Registry Office, Kamloops, which lies 450 feet southwesterly from the intersection of said right of way with the westerly boundary of Lot 405; thence N.45°W. to said point on the northwesterly limit of the Canadian National Railway; thence northeasterly along the said northwesterly limit to the westerly boundary of aforesaid Lot 405; thence northerly along the westerly boundary of said Lot 405 to the point of intersection with the westerly limit of the Ashcroft-Cache Creek Highway as shown on Registered Plan H659; thence in a general northerly direction along said westerly limit to the point of intersection with the westerly boundary of Lot 378; thence northerly and easterly along the westerly and northerly boundaries of said Lot 378 to the point of intersection with the aforesaid westerly limit of the Ashcroft-Cache Creek Highway as shown on Plan H659; thence in a general northerly direction along said westerly limit to the point of intersection with the westerly boundary of the south half of Section 33, Township 20; thence northerly and easterly along the westerly and northerly boundaries of the south half of said Section 33 to the point of intersection with the southwesterly boundary of Lot A of Section 33, Township 20, Registered Plan 6356; thence southeasterly, northeasterly and northwesterly along the southwesterly, southeasterly and northeasterly boundaries of said Lot A, Plan 6356, to the point of intersection with the aforesaid northerly boundary of the south half of Section 33, Township 20; thence easterly and southerly along the northerly and easterly boundaries of Legal Subdivision 7 of Section 33 of Township 20 to the point of intersection with the middle line of Bonaparte River; thence in a general southeasterly direction along said middle line and said middle line produced southeasterly to the point of intersection with the middle line of the Thompson River; thence in a general

northeasterly and southeasterly direction along said middle line of Thompson River to the point of intersection with the easterly boundary of the west half of Section 35, Township 20; thence southerly along said easterly boundary of the west half of Section 35 to the southeast corner thereof; thence westerly along the southerly boundaries of Section 35 and 34, Township 20, to the aforesaid northeast corner of Legal Subdivision 16 of Section 28, Township 20, being the point of commencement, and containing by admeasurement 757 hectares of land, more or less, and 79.84 hectares of foreshore and land covered by water, more or less:

And that the provisions of any zoning, subdivision and building regulation bylaws as amended to the date hereof of the Thompson-Nicola Regional District shall remain in force and effect in the extension area as if they were bylaws adopted by the municipality until amended or repealed by bylaw:

And that the Letters Patent of The Corporation of the Village of Ashcroft be deemed to be amended so as to conform to the premises as and from the date of these Letters Patent.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this 8th day of July in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.

By Command.
